Gospel—B. Bauman

First Epistle of Peter, chapter 517, Pardon me 517 at the end. What shall the end be of them that obey not the gospel of God? The end of 18. Where shall the ungodly and the Sinner appear? These are two very moving questions. They ought to make you wonder if you're not saved, if you're still in your sins. You know, Job in 1410 said man dies and he wastes us away, and where is he? Job didn't know. I do, and I hope you do. But he said he waste away and where is he?
